Dear Commissioners:

My name is William "Tripp" Moore, Managing Member of Roeder & Moore, LLC dba Two Men And A Truck of Charlotte and Two Men And A Truck of Rock Hill (E-9713). I am writing you to request the reinstatement of our Class E Household Goods Certificate at your earliest availability, so that we can continue to serve the Piedmont Region in the fullest and best manner possible.

There has been a communication error that was discovered during a conversation today between Dawn Hipp at the SC Office of Regulatory Staff and me today. We have not received any communication regarding the delinquent filing for the Gross Receipts Form for the calendar year 2008. The email address that has been on file was tripp.moore0092@twomen.com. This has never been a valid address provided by anyone at my organization. It appears that there was a mutation of my email address that was formerly trippm0092@us.twomen.com and my current address of tripp.moore@twomen.com that has formed the incorrect email. With the improper email address on file, we did not receive notification that we were out of compliance in the Gross Receipts matter.

If you review our history as a Certificated Carrier in South Carolina, you will find that we have been in compliance on every matter and event presented to us and required of us. We have also remained in good standing with the Commission. We have had an exemplary Customer Service Rating with Zero Complaints to the Commission or the ORS in the nine years of business that we have been operating.

A copy of the Gross Receipts Declaration for 2008 has been sent to Dawn Hipp, and a copy attached to this request. I respectfully request that you elect to reinstate our operating authority at your next meeting on December 8, 2010 so that we will be able to continue to provide the highest level of service to South Carolina's consumers.

Sincerely,

William Moore

Gross Line Haul Revenue Derived Via South Carolina Operations: \$ _____

Line Haul Revenue is defined in the **Public Service Commission of South Carolina Rules and Regulations Pertaining to Motor Carriers (1999 Revision)**. Transportation or line haul revenues are expressed as a rate per 100 pounds times the mileage or distance moved. However, line haul may be expressed in a variety of ways to include an hourly rate. A carrier must include all revenues collected for moving property which meets the definition of "Household Goods" under 26 SC Code of Regulations 103-210(1). This includes all moves which both originate and terminate within South Carolina excepting those moves which originate and terminate within the same municipality.
